

BOILER GAME MINE

With 10 bowling lanes that offer optional HyperBowling capabilities, four billiards tables, 26 PC gaming stations, two console gaming areas and an assembly room, Union Rack and Roll and Boiler Game Mine, located in the Purdue Memorial Union basement, are available for your entertainment and collaboration needs!

HyperBowling is a revolutionary new way to bowl, and it's now a featured offering on the West Lafayette campus. Enjoyed by all, HyperBowling combines the typical fan favorite bowling game with a fast-paced, physical video game experience.
